

Roll a Beetle Math Game

To Play It:

Print one set per person. Take turns throwing the die. To start, you **MUST** get a 1 for the beetle's body.

Collect the other parts of the beetle as you roll each number.

You may not take the eyes or antennae until you get the head. The first player to complete their beetle wins!

Body= 1

Head= 2

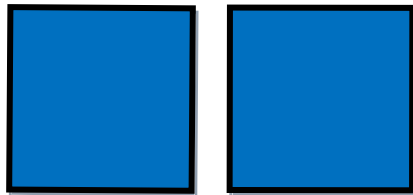

Eyes= 3

Antennae= 4

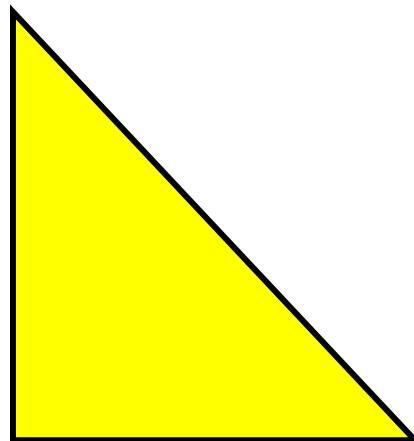

Tail= 5

Legs= 6

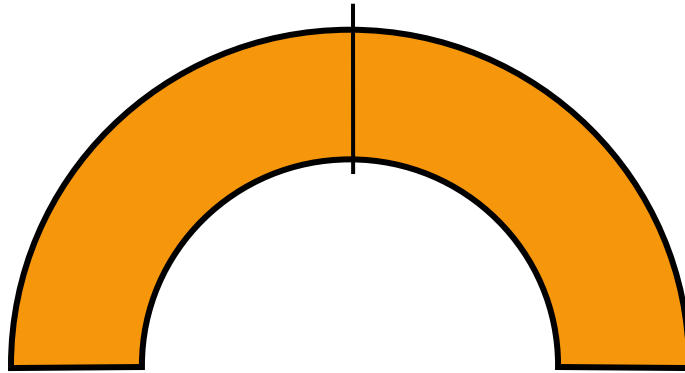

Eyes

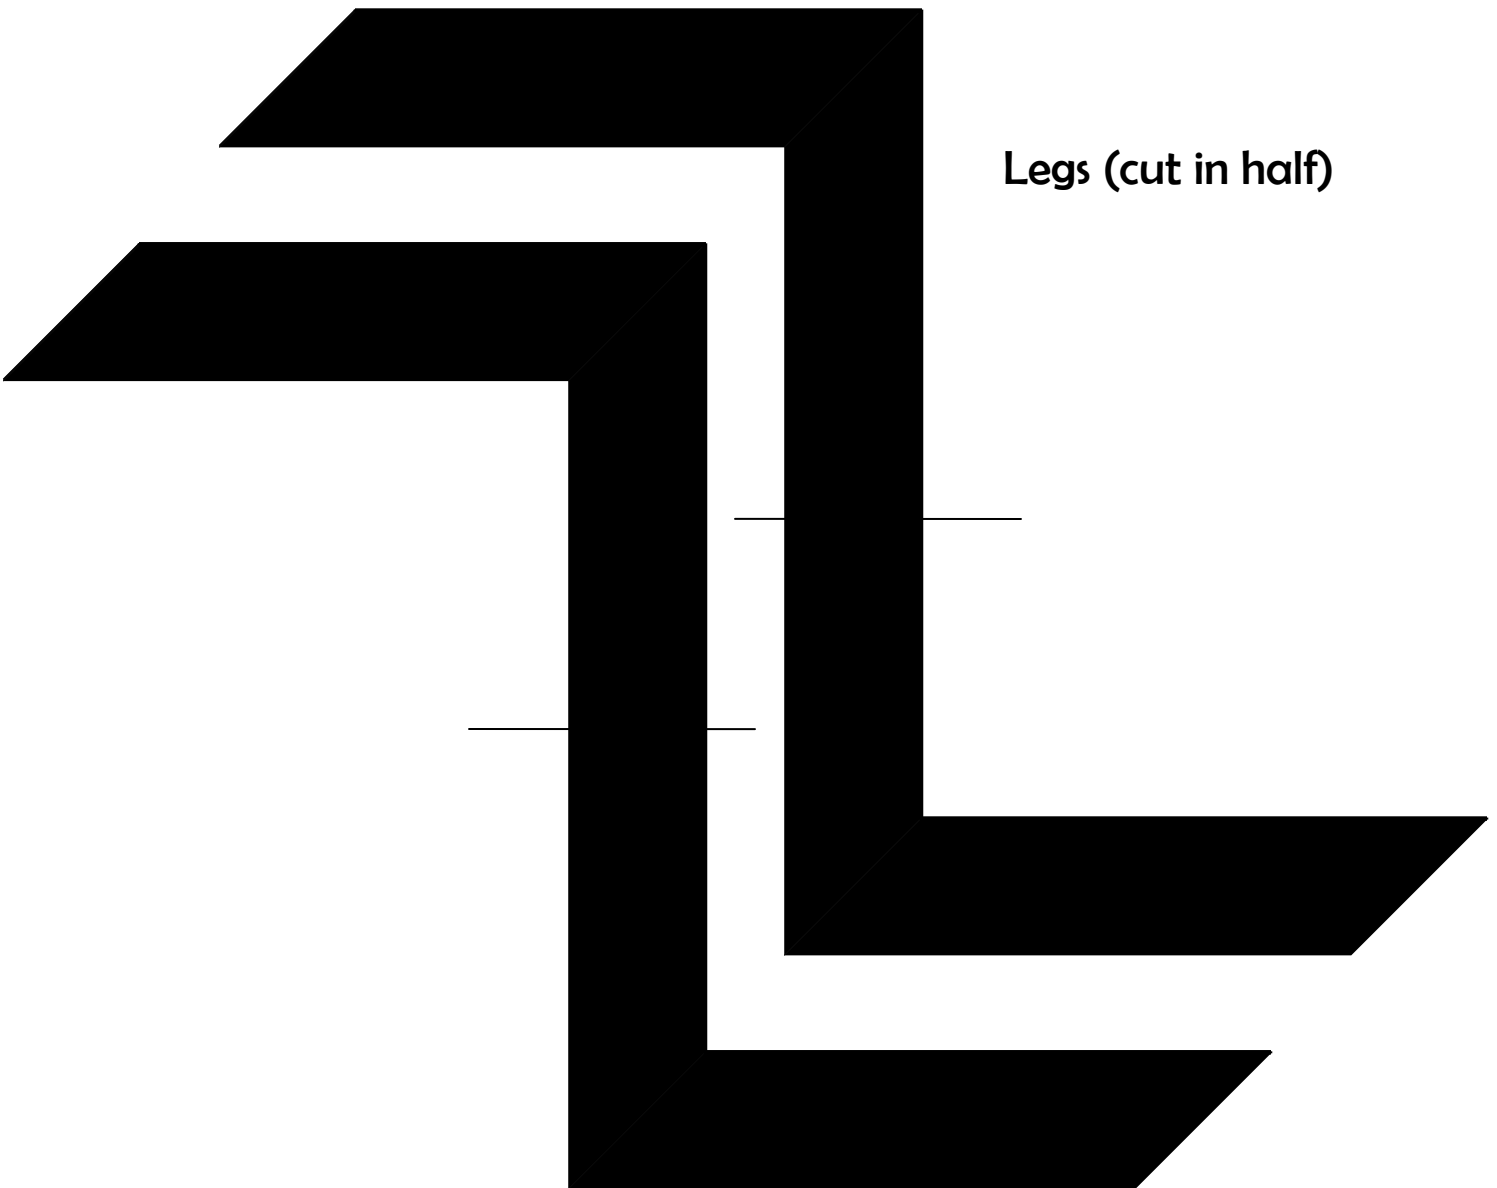

Tail

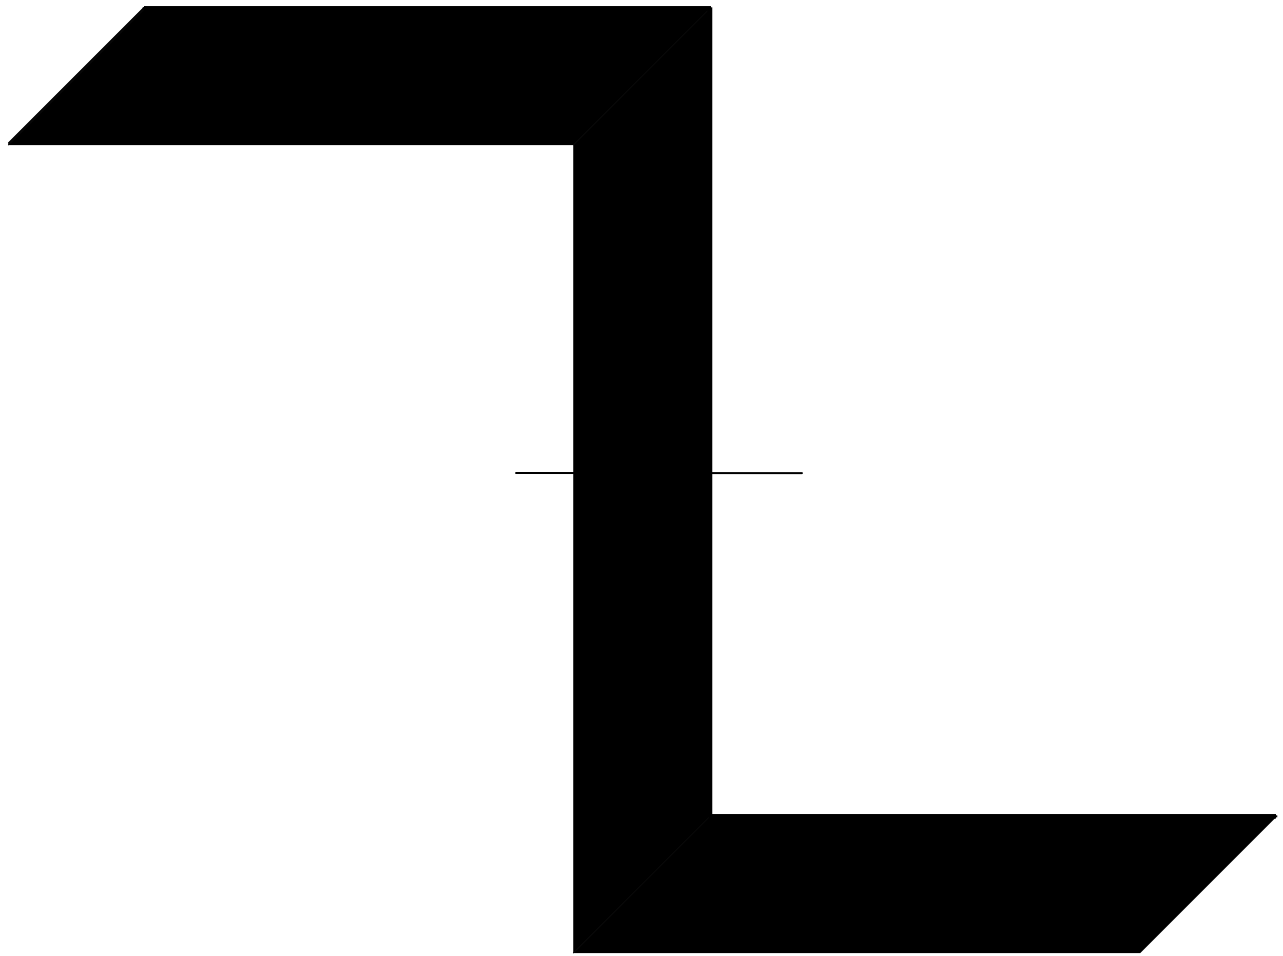

Antennae (cut in half)

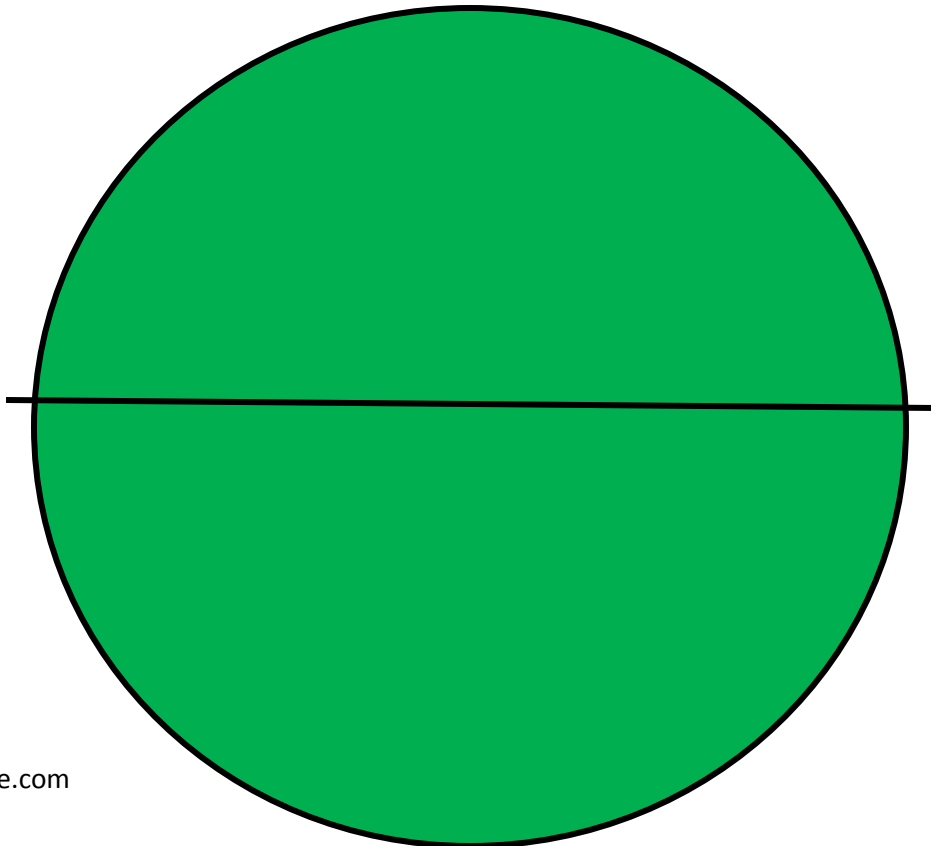

Legs (cut in half)

Head (use only half)

Body
