30 FAMOUS LANDMARKS
I SPY - WITH GOOGLE EARTH

Using Google Earth, search for each of the famous landmarks. Figure out where in the world they are and fill it in on the paper. Also tell what it is, if you can figure it out (natural landmark, church, ancient ruin, etc.) Explore the sites from all angles in 3-D view. Be sure to check out ground level view, too. You can also click on photographs and see real photographs of each site.
