

Duck or Rabbit?

Use this fun printable to create an optical illusion craft! One side is a duck and the other side is a rabbit.

Instructions for use:

**Print the template out. Decorate one side as a duck and the other side as a rabbit.
Attach a craft stick if desired to make turning it over easier.**

**Created by Teach Beside Me. All Rights Reserved. Not to be shared, or re-sold
online elsewhere. For personal or educational use only.**

**I'm a little bunny
But you're in luck,
Just turn me over
And now I'm a duck!**
