

The Book VS. the Movie

1. **The Main Character:** What are your feelings about the main character in the book vs. the movie? Did you like the way he/she looked? Did he/she match what you imagined from reading the book? Was he/she better in the movie or the book? What might you have changed in the movie if you were making it?

2. **The Setting:** What were your feelings about the setting in the book vs. the movie? Did it look the way you imagined it? Were certain parts different than you envisioned? Were they better in the book or the movie? What might you have changed in the movie if you were making it?

3. **The Plot:** How closely did the movie follow the plot line from the book? What differences did you notice? Did they leave out important parts from the book? Do you think the movie's plot was better or worse than the book? What might you have changed in the movie if you were making it?

4. **Other Thoughts:** What other things did you see that were different? Were they good changes from the book or not?
